

# PHILABUNDANCE

Driving hunger from our communities

Philabundance is the Delaware Valley's largest hunger relief organization, acquiring, rescuing and distributing food to help feed those in need and advocating for policies that increase food access.

## MISSION

Our mission is to drive hunger from our communities today and end hunger forever.

We do this by addressing hunger through direct food distribution programs and approximately 350 member agencies, including shelters, food pantries and soup kitchens.

## CLIENTS WE SERVE

We serve 90,000 people each week who are at risk of hunger, a third of whom are children and 16% of whom are seniors. Our clients include the working poor, students and single parents.

## SERVICE AREA

In 2017, Philabundance serves five counties in PA: Bucks, Chester, Delaware, Montgomery and Philadelphia, and four counties in NJ: Burlington, Camden, Gloucester and Salem.

## IMPACT

Philabundance distributed 23 million pounds of food in 2016.

“As someone who knows the physical and emotional effects of food insecurity, I thank Philabundance for being a beacon of hope and nourishment for our neighbors.” – Chrissy M.

Every \$1 donated provides two meals
